SECTION 1903 - CERTIFICATE OF APPROPRIATENESS REQUIRED

A Certificate of Appropriateness shall be required before any "action" as defined below can be taken within the Corridor 98/589 District. An "action" shall be defined as any construction, reconstruction, relocation, addition to major repair or demolition of a building or structure or construction and location of parking facilities. Major repair is defined as costing in excess of fifty (50) percent of the value of the subject building or structure. A "Certificate of Appropriateness" is a certificate expressing the approval of the Board of Supervisors (or Zoning Administrator in the case of painting/ repainting of an existing structure) with regard to any proposed "action" in the C98/589 District. "Appropriateness" shall be defined as conformity to the standards established in this Zoning Ordinance or other land development regulations as they now exist or may be amended in the future.

For applications involving a required site plan for a proposed action, the Lamar County Planning Commission, in recommending approval and denial of applications for Certificates of Appropriateness, shall seek to accomplish the purposes of this ordinance. All decisions of the Commission shall be in writing and shall state the findings of the Commission, its recommendations, and the reasons therefore.

SECTION 1904 - PURPOSES OF A CERTIFICATE OF APPROPRIATENESS

A "Certificate of Appropriateness" is a document issued by the Board of Supervisors approving a proposed "action" (as defined under Section 1903) in the Corridor 98/589 District. The purposes of the Certificate of Appropriateness are:

1. To preserve the values of existing buildings and structures.
2. To prevent excessive dissimilarity and inappropriateness or poor quality of design in the exterior appearance of structures. Poor quality of design in the exterior appearance of structures shall include all metal buildings, which are hereby prohibited in the Corridor 98/589 District, unless covered with brick or other masonry material However backs of the building, not facing any roads, may remain open.
3. To prohibit unsightly and unsuitable structures that would be out of harmony or incongruent with the existing visual features within the district.
4. To prevent harm and damage to the Corridor 98/589 District which will result from the absence of such review and manifest itself by: (a) lower property values; (b) decreased economic growth; or (c) diminished future opportunities for land use and development.

SECTION 1905 - SITE PLAN REQUIRED FOR ANY PROPOSED "ACTION" IN THE CORRIDOR 98/589 DISTRICT

When any "action" as defined under Section 1903 is proposed anywhere within the Corridor 98/589 District, the Lamar County Planning Commission shall review site plans for such actions. Site plans shall be prepared in accordance with Sections 2807 through 2810 of this Ordinance and

persons responsible for initiating such “actions” shall comply with the procedures specified under Section 1806 of this Ordinance.

SECTION 1906 - PROCEDURES FOR REVIEW OF SITE PLAN

The Lamar County Planning Commission shall review all site plans (provided all required data is submitted by the applicant) at their regular meeting. After reviewing all information relative to the site plan, the Planning Commission may recommend issuance of a Certificate of Appropriateness and issuance of a Land Use Permit (see Section 400.01) or recommend denial by the Board of Supervisors. If the Commission determines that the proposed building or structure is excessively dissimilar to other like structures within the district and makes a specific finding that the structure as proposed would provoke one or more of the harmful effects as set forth in 1904, paragraph 4, and that such finding is not based upon personal preferences as to taste, then the Commission may recommend that no Certificate of Appropriateness be issued and that an application for a Land Use Permit be denied by the Board of Supervisors. If the Commission recommends issuance of a Certificate of Appropriateness and a Land Use Permit, such recommendation shall be contingent upon final review and approval by the Board of Supervisors.

SECTION 1907 - PROCEDURES FOR CONSIDERATION OF APPLICATIONS FOR CERTIFICATES OF APPROPRIATENESS

Anyone desiring to perform any “action” (as defined under Section 1903) in the Corridor 98/589 District must submit an application for a Certificate of Appropriateness (on a form provided by the Lamar County Planning Department) to the Zoning Administrator, who shall forward this application to the Lamar County Planning Commission. The Commission shall review the application and either recommend approval, denial, or make recommendations for changes and modifications as it deems necessary in order for the applicant to meet the standards and guidelines for the action to be performed. If the applicant’s plans meet the approval of the Commission, the Chairman of the Commission shall sign the Certificate and it shall be forwarded to the Board of Supervisors for review and final approval. Following approval by the Board of Supervisors, the Certificate shall be forwarded to the Zoning Administrator for issuance of a Land Use Permit in accordance with Section 400.01 of this Ordinance.

If the Commission should reject the application or recommend changes and modifications not acceptable to the applicant, the applicant may appeal the Commission’s decision directly to the Board of Supervisors.

It is incumbent upon the applicant for a Certificate of Appropriateness to complete an application and submit the completed application and required site plan in time for review by the Lamar County Planning Commission prior to the meeting of the Board of Supervisors at which he desires a decision by that body. If the proposed action also involves an application for a Variance or Conditional Use (see Section 2804 and 2805, respectively) or an amendment to the Official Zoning Map (see Section 2806), the applicant for a Certificate of Appropriateness is advised that a public hearing is required in accordance with Section 2711 of this Ordinance.

No Land Use Permit shall be issued by the Zoning Administrator without an approved Certificate of Appropriateness.

SECTION 1908 - EXPIRATION OF CERTIFICATES OF APPROPRIATENESS

Certificates of Appropriateness shall expire if the work or change is not commenced within one hundred eighty (180) days from the date the Certificate is granted, or if the work or change is not substantially completed within two (2) years from the date the Certificate is issued, although such permit may be renewed for additional periods.

SECTION 1909 - DIMENSIONAL REQUIREMENTS
